Dear Mrs. Barak,

Thank you so much for this information and I am very happy to communicate with you on these details. You and Mr. Barak will be guests at the home of Mr. & Mrs. Wexner. I will check with the appropriate person there to determine how we can arrange for your security team to be accommodated there as well. I will send you a detailed schedule of events early next week. Dress for the gala dinner on Sunday is cocktail attire. The rest of the events are business casual attire.

I am so appreciative of your quick response.

Karen

Dear Ms. Collum,
In response to some of your questions:

There will be two security details joining us. The security authorities in Israel are taking care of their accommodations everywhere. We just have to know, **asp, the hotel name and reservation confirmation number** and they will be directly in touch with the relevant hotel contact person.

We do not need transportation - it is also taken care.

Concerning the flight information - I haven't yet the details. I hope by Monday, I can convey it to you.

Please direct your correspondence concerning this event to me. What is important is to get the earliest the maximum information such as: time table, dress codes etc.

best regards,

Nili Priell Barak
